Education

2022-2026

Business and Organization/ Sibbo OV4, Tongeren

Completed two years of Business Organization studies. During this program, I gained knowledge of HR processes and developed basic accounting skills.

Crossmedia / Campus Max OV4, Tessenderlo

Currently studying Crossmedia, where I develop skills in graphic design, digital media, and visual communication. I work with Adobe programs such as Illustrator, InDesign, and Photoshop, and learn how to create and edit visual content, layouts, and digital designs. I also develop skills in creative thinking, communication, and working with different media formats..
